## Where Architecture Meets Aspiration

---

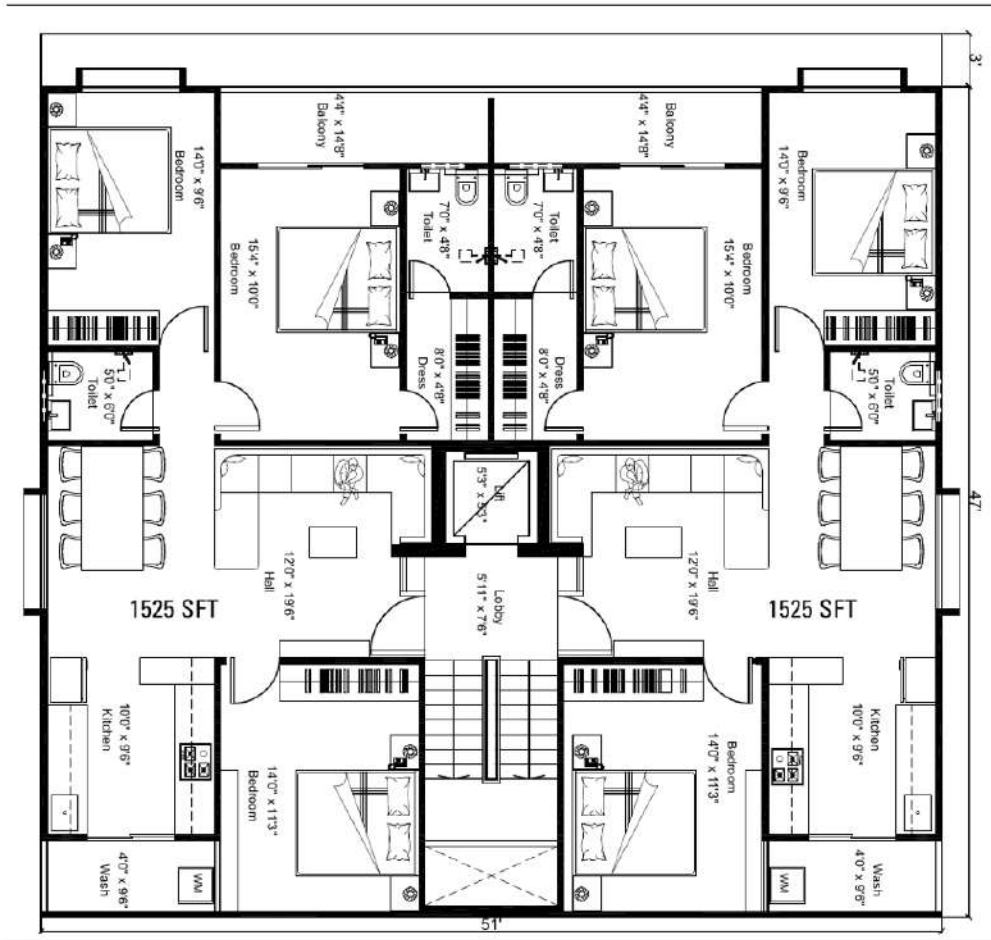

**Kuber House** is an exclusive residential development thoughtfully conceived for those who demand the finest in everyday living. Situated at the prestigious Martand Chowk in the heart of Indore, this distinguished address presents generously proportioned 3BHK residences spanning approximately 1,525 sq. ft., where every corner has been crafted with meticulous attention to detail, premium materials, and lasting quality.

Developed by GK Developers and envisioned by the acclaimed SYNETICS Architects,

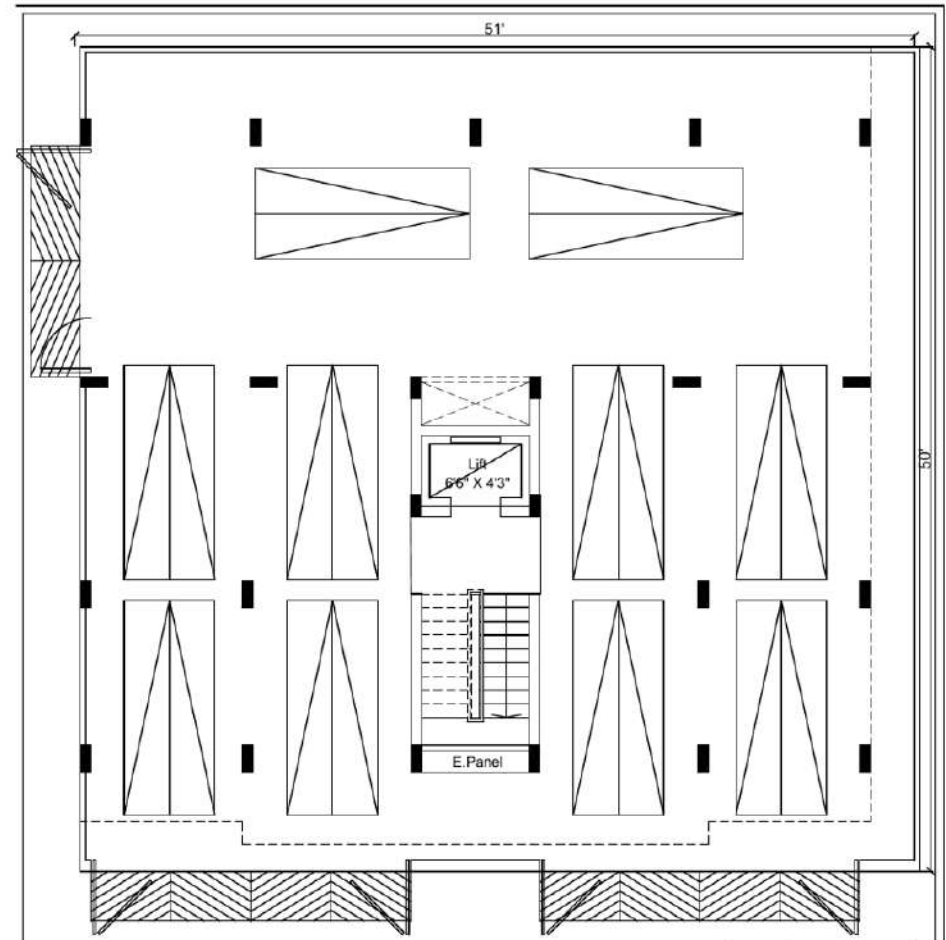

**Kuber House** is a testament to architectural integrity, refined craftsmanship, and thoughtful design — a home where elegance is not a luxury, but a standard.

THREE BEDROOM X 2

**STILT PLAN**

## Masterfully Planned

Each residence at **Kuber House** has been masterfully planned to offer generous proportions, seamless flow, and an abundance of natural light.

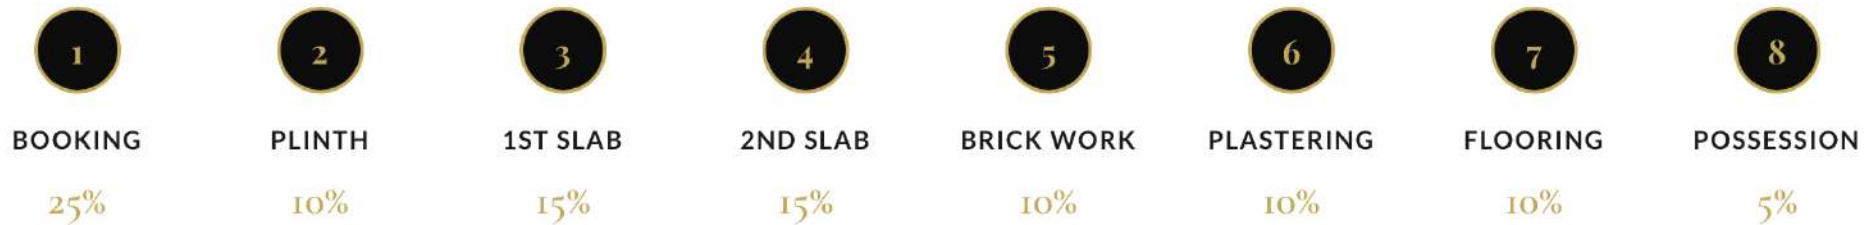

The 1,525 sq. ft. layout encompasses a grand living lounge, a designer culinary suite, three private bedroom suites — each with dedicated dressing and bath areas — a private balcony, and a gracious entrance lobby.

This layout represents the perfect balance of communal warmth and personal privacy, designed for the modern family.

## A Transparent Path to Ownership

*Construction-Linked Payment Plan*

Our milestone-aligned payment structure has been designed to offer complete transparency, financial ease, and the assurance of tracking your investment through every stage of construction.
